THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI JANARDHAN POOJARI): (a) and (b) The Hon'ble Member is presumably referring to the Scheme for providing Self-Employment to the Educated Unemployed youth which was introduced in the year 1983. The Reserve Bank of India have issued suitable guidelines to streamline the procedure for granting loans to the youths under Self-Employment Scheme from time to time. Under the scheme the banks have not to ask for owners' contribution in the form of margin money or seek collateral security or third party

guarantee for the loan. The security for the bank will be the asset created out of the bank finance. The banks were advised to delegate adequate discretionary powers to branch managers in respect of cases sponsored under the Scheme so that the loans could be sanctioned by them without making a reference to higher authorities. In each dsitrict a Task Force has been constituted to process the applications received and to recommend suitable cases to the bank branches. The loan proposals are to be disposed of by the Branch Manager within 14 days from the date of receipt.

(c) and (d) The data reporting system from banks does not generate data in the manner asked for. As per the information available, the data relating to the number of applications sanctioned for the years 1983-84 and 1984-85 in respect of the concerned districts are given below:

*The information relating Jamnagar Distric for the year 1983-84 was not received in the Office of the Development Commissioner (Small Scale Industries).

(e) The operative period of the Scheme has been extended for 1985-86 only. As such the question of fixing targets for the years 1986 and 1987 does not arise.
